

PRESS RELEASE November 28, 2016 For Immediate Release

Mercury Momentum brings “Dorothy in Wonderland the Musical” to Reno, NV for the first time ever!

(Reno, NV) “Dorothy in Wonderland the Musical” brings your favorite characters from Oz and Wonderland crashing together in this family friendly musical. Mercury Momentum’s All the Earth’s a Stage program presents this tale of two timeless classics for the first time in the Reno area at Cargo Concert Hall inside the Whitney Peak Hotel in Downtown Reno, 255 North Virginia Street, Reno, NV 89501 on December 10th, 11th, 17th, and 18th at 2pm and 7pm each day for a total of only 8 performances.

Mercury Momentum’s All the Earth’s a Stage program focuses on bringing the arts to all groups in our community, building the area’s future artists and education for both the public and aspiring artists in music, theatrical, performing and all other types of art. One of the ways we do this by providing all inclusive events and productions for local artists to participate in such as “Dorothy in Wonderland the Musical”.

In “Dorothy in Wonderland the Musical” join Dorothy, Toto and the characters of Oz as they get caught in another whirlwind that sweeps them off to Wonderland, where they meet Alice, White Rabbit, Mad Hatter, March Hare, the Cheshire Cat and many more! It’s truly a mad adventure! And you thought the Wicked Witch of the West was bad? Now they face a dangerous new foe — the Queen of Hearts! At least Dorothy’s companions now have their brains, heart and courage! Dorothy, Alice and their friends join forces to defeat the queen at croquet, but will that be enough to return Wonderland to normal and get everybody back home?
